“ I first worked with Bill at MPH and then again at aci. Though I did not see or speak to him much over the past couple years, I can still hear his voice on the phone like it was just yesterday. He is missed.

“ My friend and mentor will be sorely missed by so many, and especially me. His warmth, humor, integrity, loyalty, and strong sense of duty were what set Bill apart. Whenever I called him, my greeting was is this the "one and only Bill Mastin." And he certainly was. He was my dear friend and I miss him already.
