

Bonnie L. Olsen

September 30, 1952 - April 25, 2025

Bonnie Lee Olsen, aged 72, passed away on April 25th, 2025. Born in Wisconsin, Bonnie lived in England for several years before settling in New Jersey to raise her family. For the past 25 years, she called Colorado home, where she enjoyed hiking, gardening and walking her beloved dogs.

Bonnie retired as a Registered Nurse, dedicating her life to helping others. She was married to her husband, Glenn, for 35 years until his passing. Bonnie is survived by her three children, Neill, Ian, and Jenna, and her grandchildren, Julian, Audrey, Gavin, and Colin.

Her ashes will be spread alongside her late husband's, with her family present to honor her memory. Bonnie will be greatly missed, but her love of the outdoors, chocolate chip cookies, and storytelling will be fondly remembered.

Rest now, Mom. We love you.
