

## Brent Trevor Machado

December 4, 1988 - September 7, 2019

Brent Trevor Machado, 30, of Windsor/Fort Collins, Colorado passed away in a fetal motorcycle accident on September 7, 2019. He was born in Boulder, Colorado on December 4, 1988 to Kathy and Ruben Machado. He attended Rocky and Centennial High Schools and went on to take some college classes.

Brent was such a special person, whistling when he first turned two, winning everyone's heart. He took taekwondo with his sister, Kayla and dad, breaking boards and learning long forms for each belt. We were so proud of him when he earned his Black Belt at the age of 6!

He discovered a passion at the age of 13 when he got his first dirt bike. Other hobbies include snowboarding, boating, wake boarding, and hanging with his friends. This year he was on top of the world working at a job he loved, Commercial Parts Pro at Advance Auto and always riding his beautiful Harley with his friends.

Brent was a genuine friend to all he met and will hold a special place in many hearts. He could make the worst of days happier than you could imagine. His crazy faces were priceless.

Your beautiful soul will live on in each of us.

Brent is survived by mother, Kathy Machado; father, Ruben Machado and sister, Kayla Machado
