“ My deepest condolences to the Aragon Family. Brian and I have known each other since the 3rd grade. We skated together at Longs Pond Roller Rink on Saturdays. We have been talking a lot by phone, and I have been trying to get in touch with him for weeks. My heart is so broken over the loss of my Dear Friend. I would always say to him towards the end of our conversations.... "remember, someone in Missouri loves you!" He would always reply.... "I know that for sure, and it warms my heart." He was so shy, but what a truly wonderful friend. I will miss our talks...I will miss my Dear Friend. Rest in Peace Brian, and remember, "someone in Missouri loves, and will miss you dearly!"
