

Brian A Marmor

May 24, 1992 - June 15, 2019

“On Saturday, June 15, 2019, the world lost a truly amazing and unique human being, beloved son, son in law and brother. Brian Andrew Marmor was born in Fort Collins on May 24, 1992, where he has resided for nearly his entire life. Family was always very important to Brian. An avid outdoorsman, Brian was passionate about fishing, hunting, and nature. But what Brian enjoyed most was connecting with people – and he was quick to strike up friendships with most everyone he met. Brian often took the initiative to selflessly and cheerfully offer help to anyone who needed it. He had a wacky sense of humor, loved creative pursuits such as making glass jewelry, was a talented athlete and so much more. Not long before his passing, in July of 2018 Brian married his soulmate – Audrey Yamamoto – whom he cherished.

Brian will never be forgotten by his immediate and extended families, and by the seemingly countless friends he made over the course of his too-short life.

He is survived by his wife, Audrey (Yamamoto), parents Fran and Jason Marmor; and two siblings – Jeremy and Amanda Marmor, all in Fort Collins. Brian is also survived by a stepbrother, Justin Marmor, of Ventura, California; his in-laws Allen and Yue Yamamoto of Highlands Ranch, Colorado; his grandmother Harriet Post of Sun Lakes, Arizona; uncles Jonathan Marmor (and family) of Seattle, Washington; Craig Tinsky; and Matthew Kruger.

“ Brian has been very much in my thoughts and heart over the last months, and I just wanted to reach out and say how much I appreciated him and miss him. He was such a kind, warm-hearted young man. As a neighbor while he was growing up, I always enjoyed talking with him -- and enjoyed having him help me in my yard. I loved looking at all the beautiful jewelry he made and had for sale at our craft shows, and will always treasure the pieces I bought. Even as time marches on, I'm sure he'll be remembered by many, many people who enjoyed and loved him. Dan and I both wanted to let family members know we're thinking of you and sending love and light your way.

“ *It was so special to know Brian as a thoughtful, enthusiastic, creative child, and then to also watch him become a sensitive, caring, young adult. I fondly remember many days of carpooling the neighborhood kids, including Brian and my children, to elementary school; Brian always had a smile on his face. He was an active member of the Greyrock community, e.g., participating in Talent Shows and Theater of the Absurd as a child, and later selling his beautiful hand-made jewelry. Brian had such a giving spirit, one that exuded love. I am confident that he, and his love, live on.*

“ *I met Brian when he was a young teen and we had just moved to Greyrock from Minnesota. Always caring and the perfect gentleman he always was a joy to be around. My favorite memory is when friends visited from Wisconsin and they wanted to build a potato shooter. Brian was there every step of the building process and amazed with what you could do with a little PVC, an igniter, hairspray and of course a potato. After a few practice shots in the field out back (to the annoyance of those living at Greyrock) he became its new proud owner. Rest In Peace my friend. Though your life was much too short the memories you have left are all good. To Amanda, Audrey, Fran, Jason and Jeremy - I am so sorry for your loss.*

“ My experience of Brian was joy, plain and simple. He engaged in many different pursuits in his short time on this earth; he always did so with creativity, warmth and enthusiasm. These characteristics emanated from him, such that after encountering him, even for a short while, one left feeling uplifted, optimistic about life. I will miss his presence both in our community and in the world at large. Thank you, Brian, for the gift you were, and will continue to be. Be with your family as they grieve your presence, your magnificence. Deep peace to you and your family.

“ Brian was such a kind spirited and gentle young man. It was fun watching all the ways he engaged with nature and his creative gifts. (I will cherish the jewelry I bought, made by Brian as ongoing reminders of him whenever it is worn.) We loved having him as a neighbor and always felt such a genuine warmth from him when he would greet us or ask about how things were going. Such a tragic loss for so many. Peace be with all who have loved him. We'll miss you, Brian.
