

Brian Norman

July 14, 1966 - November 6, 2010

Brian "Bear" Norman On the early morning of November 6, 2010, we lost a loving and caring man, as he entered into heaven. Bear was born July 14, 1966, to Fern Garcia Norman and Chuck Norman in Fort Collins. He was loved by all that knew him. He believed in GOD and knew the bible. Bear leaves behind one son, Brayden Norman; parents, Fern Norman and Chuck Norman of Fort Collins; uncles, Robert Garcia, Riley Garcia, of Fort Collins, and Ruben Garcia of La Mirada, CA; three cousins, Aaron Garcia deceased, Anthony Garcia of La Mirada, CA and Marc Garcia of Fort Collins. He was preceded in death by son, Brandon Norman; wife, Charityanne Lopez, his loving grandparents Lloyd and Mercedes Garcia of Fort Collins and Stan and Virginia Norman of CA. He had countless family members and friends who will miss him dearly. Bear enjoyed spending lots of time with his son Brayden, also known as "Bubba" to his dad, riding his Harley, fishing, working, loved his music, and collecting loads and loads of "things". Bear loved his family and friends and let them know with a kiss to the cheek, and a big bear hug. Bear lived his life just the way that he wanted to. His big heart was filled with lots of love, and he will be missed by all that were a part of his life. GOD Bless you Bear, until we meet again, in heaven. Love you always and forever. A celebration of his life will take place at 2:00 p.m. on Sunday, November 21, 2010 at Northside Aztlan Community Center, 112 E. Willow, Fort Collins. Casual dress is what Bear would prefer.

“ Dear Fern and Chuck, I am sorry for your loss. Seems like yesterday when Bear lived across the street from me. I remember when he and Angel brought their pot belly pig into the El Burrito. I still have pictures of Bear at the Feed and Grain. Where ever there was a car or bike show I would see him there. And I remember the surprise birthday party he and Angel gave me. I am happy to have so many memories of him. Rest in peace Bear.... We will all meet again soon
