“ Bruce and Nancy were my neighbors for many years. I have so many wonderful memories of them both. I sad to see he's passed though I'm thinking he missed his Nancy. God's speed, Bruce. Much love from the proprietor of the Soiled Dove. Thank you both for all of the wonderful memories. I loved you both very, very much.

“ Bruce was a good Garden Railroad friend and mentor. We shared many breakfasts at the Breakfast Club over the last eight years. I especially enjoyed the salsa Nancy made, that he would bring to share. I enjoyed helping him get his railroad ready for our annual tour and especially running trains on his magnificent railroad. His positive attitude was infectious. When asked how he was, he always said “I feel fantastic.” I’m trying to emulate Bruce. Every morning when my wife asks, I respond with “I’m fantastic.” I will greatly miss Bruce and his warm friendship.
