“ *Although I have not seen Bryan in many many years - I will always remember him. It was months after his death that I learned he was no longer with us. I was sad and still think of his parents and sister who I am sure must miss him very much. For decades I've thought of Bryan every time I pass by the Berthoud motocross track. Bryan will continue to live on in my memory.*

“ Bryan Walters was a close friend of mine since childhood and remained so today. My deepest sympathy goes out to his parents and sister at this time. I would love to have permission to attend the services to give the love and support that I have for the family. I have been praying and grieving for them so much in the last few days. “ Bryan, I know you're in a better place. I will remember the good times we shared, our childhood memories were the best. We rode our bikes everywhere, saw our first concert together and shared our 8-track tapes. May the Lord take you in his Kingdom and grant you Peace.
