“ So long Cal. You were a true cowboy of the west. We will miss your presence, chats and perspectives. You had an eye and appreciation for beauty in the local scenery and stories that made a person feel as tho they were reliving it with you. We're grateful to have known you and thank you for the time we shared.

“ I first met Cal when he was "hamming" over at Terry's "horse ranch" a couple of lots away from us. He enjoyed telling me about how many people around the world he had talked to over the years. He truly was a part of the greatest generation; thanks for serving to keep America free. God's blessing to the Lorenz family during your time of grieving. Dale and Suzanne
