“ *So sorry to my Grandpa Gene, Aunt and my Uncles, and to my Father for the sudden loss of my uncle. He did have some trying times in life and made some improper choices, but he seemed to have gotten things straight toward the end and I'm proud of him. I know he is in a better place now and he will be missed by his family and friends. We shall see him again some day.*

“ RIP Carl. I got to know Carl from when he worked here a while at Weld Re4 School District. I was supervisor for night crew then. He was our temporary custodian at night for a while. I caught him once in a while playing the piano or guitar in music rooms. He was good with music. Jerry Sheets his other friend who works here also worked with him at Water Pic as security on week ends for a while. Jerry & him would eat lunch together often. Jerry just asked me one night that why hadn't Carl contacted him lately. I seen his Obituary just last night in the Windsor paper. Surprised me. I let Jerry know right away. Sorry for your loss, our condolences to the family. Carl was a good man. Friendly and thoughtful. I did Carl's taxes a couple years so I have his paperwork. Hope to meet up in June. Number for Jerry Sheets is 970-302-6518. Mine is 970-518-8971. Manuel Vallejo.
