“ I'm so sorry to read that Carol passed away. She was one of the first friends I made in 1955 when our family moved to Fort Collins. We were 8 years old. Her family lived on the north side of library park and mine lived on the east side. Many good memories of elementary school at Remington, Brownies and Girl Scouts, roller skating and playing in the park.

“ To Carol's family and friends, I am so sorry to hear of Carol's passing. She was a shining example when she was Honored Queen in Job's Daughters. She and Nancy Redenbaugh were one of the reasons i joined Job's Daughters. So many wonderful memories of those outings to Denver to see the play *The King and I* and the *Music Man* in the park. What a wonderful person.

“ Dear Cathy, Jeri, Stacy & Families & Friends,

Carol was a sweet, considerate and kind person. Her brilliant brown eyes, jovial voice and radiant smile lit up the room and welcomed conversation. She brought out the best in us all with her sense of humor. Her laughter was contagious. Carol was a beautiful person inside and out. The kind of person everyone would want for a friend.

Well, I was one of the lucky people to have her as a close friend since 8th grade at Lincoln Jr. High in Fort Collins, Colorado. Carol and our group of friends have remained friends all these years. We have had lots of fun times and supported each other through the hard times as well.

Carol so loved us all with all her heart and soul! For us still living here on earth she has gone way too soon and we will miss her, but we will never forget her.

May the memories of the special love we shared with Carol return each day to bring healing, hope, peace and joy. Carol would not want it to be any other way.

God Bless you and give you strength!

*With Deepest Sympathy & Love,
John & Gail (Buffington) Ward*
