“ *My Mom liked everyone, she appreciated what she had and always shared, she taught us if you don't have anything nice to say, don't say anything and if you are having a bad day, there is always someone having a worse day. She was funny and liked to laugh. She believed in God and had faith. So she was at peace and comfort in her last breath.*

Thank you all for your very kind words for my Mom, it helps. God Bless you and keep you and may he shine his light upon you in life and death as he has done for my Mom.

In our lifetime one person stands out among all the ones who touch our lives. There is a void in my life that will never be filled by another, and until we are together again, she will always live in my thoughts. Love you Sis.
