“ *It's been many years since Carol and I crossed paths. We worked together at the bank when both of our younger daughters were born. When she and Don lived in Masonville, we got together often. Regrettfully, when they moved to town our friendship lapsed. I remember Carol with a smile on her face and laughter in her voice. She was positive and upbeat and a pure joy to be around. Her outlook on life was to enjoy every minute which you couldn't help doing when you were in her presence. Carol, you will be missed but I'm happy for you that you went home to a place where things are perfect for you. Love, Dodie*

“ Don, Taylor, Aubree & Alta, We were so saddened to hear of Carol's death. It is like losing a family member because sharing a lifetime of baseball, we felt that all of you were like family. We will always remember Carol's laughter, & our fun "together" times sharing a bench & sun- flower seeds at our sons' baseball games. We want you to know we care.
