### "I NEED YOU"

Dear God, I need you every day,  
I stumble so - along the way.  
I need the faith that You can give  
every single day I live.

I need more strength, for I am weak,  
and God, it is Your strength I seek.  
Please give me hope, when things go wrong,  
then fill my heart with Your sweet song.

Life's road is long - the hills so steep.  
I even need You when I sleep!  
Let's face it, God, what would I do  
if I could not turn to you?

“ Our deepest sympathy to friends and family of Cassie. Her loyalty and generosity shone not only in her relationships, but her daily life and employment at TMP. God grant you all peace and comfort in the days ahead.

“ Sending much love to Aaron, KeriJo, all the grandchildren and great-grandchildren, and her sister, during this difficult time. Aunt Cathy did things her way - always, and we know that she has made a memorable impression on our lives. Aunt Cathy loved to sneak up on me while at the Wal-Mart, which is where I always would see her (or she would run into me! literally!) We joked that she lived there. I will remember many things about Aunt Cathy - one is her infectious smile and laugh. I won't forget the PB&J on hot dog bun sandwiches she made for us as kids. Nor, all the angel emails she would send. Her faith in our Lord was unwavering. We love you and will miss your presence here, Aunt Cathy. Kiss and Hug those we love whom you are with once again in Heaven. Rest in paradise, forever more in the presence of our Lord and Savior.
