“ *What a great teacher he was. I was taught things in Mr. Bowdens shop class I used for a lifetime. Still have many of the items built in his class.*

“ *Uncle Ed was one of the kindest men I know. I remember many times when we would go to horsetooth reservoir to go skiing. My heart aches for his family. It is so hard when we lose a parent. But we can rejoice on the fact that he is in heaven with Aunt Mary. Love all you*
