“ Dad Doc was the best husband, father, grandfather and great grandfather who loved his family dearly. Dad Doc was an amazing person that I am proud to have him as my father-in-law. He was the best and wonderful father-in-law that any daughter-in-law could have in her life. I thought very highly of him. With his memories and love along with his laughter, jokes and smile, he taught me so much from fixing a whole in the wall to working on a car's engine. He had a great philosophy in life, living each day to its fullest and life is too short for holding grudges. He was a man with words of wisdom which helped me to become a better and stronger person. He was the kind of man with a heart of gold that touched each and every person he met well as helping anyone in need. I am truly blessed to have Dad in my life. You will always be in my heart, thoughts and prayers every day. He will truly be missed. I love you Dad!

“ *Grandpa Doc was the kind of man I was very blessed to have as my Grandpa! A lot my friends also loved him and thought of him as Grandpa too. He was the best and it's hard to put into words. It wasn't because he gave the best Christmas gifts, honestly I know we got them every year but I can't remember one but because he gave me memories and love! He taught me right from wrong and showed me how to give and be kind. I will remember him living next door checkin in on the Dolly's, or taking me fishing, or how his sheets smelled, or giving me chew while checkin cows! I looked up to my grandpa grown up so much I feel I married a man who is a lot like him. A family man, giving, loving, funny, and a wrench turning horse trader! : Thankful he is out of pain and I know I am truely a better person because he was my Papa. I love you Papa! Stacy Jones*
