“ *Jewel said she will miss Charlie dearly and she said when he came to Ohio she loved cooking for him. She said she love doing lots of things that Charlie liked. And mom said she will always keep all her brothers and sisters in her heart that have gone on to be with the LORD. Charlie and his niece Jeanie were one time in the back yard when we accidentally hit a huge nest of hornets. Boy did we every run like a bunch of jackrabbits. You would have though we both were on a football field making a touchdown. Charlie and I never missed a step. I Love Charlie and he will always be in my prayers forever amen.*
