“ To the Chuck Nauta Family, I was saddened to hear about Chuck’s death. Being his neighbor I have many memories of him when he operated the gravel pit. He was a great guy and the best of neighbors. After he retired he told me I should drop by and go fishing in his pond. I waited quite a few years before I took him up on that, but finally showed up with my grandkids. Before we showed up I asked him what would be good bait and he told me hotdogs. I was surprised to hear that, but when the kids tossed their lines into the water the fish raced to the bait. They ended up catching the fastest fish every time. The kids remind me of that day and ask when we going fishing again at Mr. Nautas. I guess we will wait and go with him in heaven. God bless you all in this sad time. Gary & Ann Epstein Fort Collins Wholesale Nursery

“ Chuck, Thank you for all the good times putting up with the rotten little neighbor kid when he came knocking on the door and asked to jump on the trampoline. I was never denied. As I got into my teenage years the memories of riding the motorcycles around the pit with Mike and Rick and goofing off with the old rambler, Volkswagen and Willys jeep. I remember fun times of Swimming and canoeing during summers when the pond was full of water and ice skating some winters when it froze over. As I became a young adult raising my own family thanks for the wisdom you shared with me, like how to run a gravel pit and how to remove the stone from the alabaster quarry. I will never forget the fun times we had on elk hunting trips to crown point road. I am blessed to have known a man like you! I will carry many things I have learned from you for the rest of my life. Your a wise man Chuck Nauta, thank you for letting me call you my friend. God Bless
