

Charles Wayne Walters

September 8, 1941 - April 23, 2017

Private Celebration of Life.

Tribute Wall

IG

“ *Eileen and Family, I'm so sorry to hear of Charles passing, I remember watching Charles playing softball at City Park, loved watching him play first base what a player, the only thing I didn't like was sometimes our team played after his team and it would be late because they sometimes went over innings, so that meant we didn't get home until 1:00. What memories. God bless you and your family.*

As always your cousin Ida
