

## Christin Lynn Murray

March 23, 1962 - July 7, 2019

Christin Lynn Murray died July 7 after a valiant fight against the cancer that had metastasized to her lungs. Christin was born March 23, 1962 to Carol and Ed Crockett. She is survived by her husband, Matthew Murray; mother, Carol "Michie" Alford; stepfather, Dave Alford; son, Nicholas Keegan with wife, Emily; granddaughters Emma and Hanna; brother, Mitch Crockett; niece, Morgan; nephews, Jeffrey and Andrew; former husband Tony Keegan, and numerous aunts, uncles and cousins.

Christin grew up romping the Michie farm with her Michie cousins and cheering at ball games with her Crockett cousins. Much of her youth was spent on her horses, Brandi and Nisha Shoshinta, competing in gymkhanas, performing with Boots and Spurs drill teams at parades and horse events, or riding the hills on trail rides.

Chris graduated from Rocky Mountain High school and spent her adult years raising her son and working at various jobs, including manager of a Shrader's Country Store. Most recently she was a hospital courier.

Chris will be remembered for her character, independence and loving nature as a daughter, sister, mother, wife and especially a grammy. As is recorded in a scrap book put together by her daughter-in-law, Emily, "Our grammy is beautiful, funny, smart, loves us so much, gives the best hugs, brave, loves

the Broncos, can brighten up a room with just her smile, and strong.” Chris, we will love you forever.

Family and friends are invited to gather for an informal open house in memory of Christin Murray at the home of Carol and Dave Alford, 1306 Kirkwood Drive, Fort Collins, Sunday, July 21 between the hours of 1:30 p.m. and 5:30 p.m.

“ I was one of Christins many friends, I will always miss her and think of her often . She was a kind and selfless friend who was always there for me when I needed help or just someone to talk to. I will never forget how amazing she was and her family.

“ I was a fellow courier with Christin. She was dedicated and hard working...coworkers and customers thought well of her. She was easy and fun to talk with. I really appreciated that she would quietly gather up packages that had been placed for delivery on the dock after my pick up time. The departments weren't on her route, but she would deliver them so I didn't have such a heavy load for the next day. I admired her kindness and empathy. I (we) will miss you Chris!

“ I remember Chris as a darling little blond baby with a big deep voice. We lived across the street from each other when she was little. Her cousin Jeff who was 3 months older than Chris was a large baby with a high voice and we had many a laugh at the two of them together 💕💕

Chris was an amazing person. She always worked extremely hard , absolutely never complained and made the best of everything.

I think I never saw her without a smile.

Even at the end when she was in such pain, she smiled at me and apologized for being tearful 😭

Love and hugs,

Aunt Marilyn
