

Christopher Andrew Buttice

December 27, 1989 - July 27, 2022

Chris Buttice was a loving son, a tremendous brother and a great friend to many. Christopher Andrew Buttice struggled with several illnesses and passed away on July 27, 2022. Chris was 32 years young. Chris was a very kind soul and was loyal, committed and passionate in every aspect of his life. Chris was brilliant and always displayed great wit, courage, strength and devotion in his life. Chris was also very creative, studied and loved film and video productions, and had a fond appreciation for music and music history. He excelled in sports, particularly baseball and soccer. Chris worked very hard in his career, had great success and set an example for his employees by never asking them to do something he was not willing and able to do, making him a tremendous boss.

Christopher was born in Rockford, Illinois on December 27, 1989. Chris and his family moved out to Fort Collins, Colorado in 1996, which he considered home. Chris had a loving, yet busy childhood, keeping up with his 3 older brothers and following their lead in playing sports, exploring the mountains and spending summers at the pool, always keeping busy. He was a loving uncle to Lillian, Andrew, Penelope, and Leo.

Chris is survived by his parents, Mark and Cheryl (Kull) Buttice of Timnath, Colorado; his 3 brothers, Matthew (Marleene), Benjamin (McKenzie), and Dominic (Jocelyn). Chris is also survived by his loving dog Huan, his cat Lilath

and many other dear family members and friends.

“ *I just learned of Chris' passing, and I am so, so sorry. He was one of a group of our kids' friends that were 'permanent fixtures' here during the high school years. So talented, and always so nice and polite (and such a cutie - he had a girlfriend, but I hear all the girls had secret crushes on him!) God bless you. Sheryle Price*

“ My heart goes out to the Buttice’s. Chris was an amazing friend and person to have in my life. We’ve grown up a lot from this picture but it symbolizes so much more. We were always there for each other from kruse elementary to boltz to high school. Rest easy Chris!

“ I am so very sorry to hear of Chris’s passing and what a devastating loss for this world. Over the years we had lost touch but I remember all the moments we shared from Boltz especially. Chris was the first person to introduce me to bands like drop kick Murphy’s and skateboarding. I remember the hours and days at lunch trying to perfect that kick flip.

I am so so sorry for his loss and my thoughts go out to all of our friends from back in the day and his family. He was an amazing person and will be missed dearly.

“ *My heart hurts so much for the Buttice family. I am devastated to hear of Chris' passing. I have known Chris since the 3rd grade and think of him often. I remember his infectious smile! He was always so kind, and like all of the Buttice boys, a genuine human being. He will certainly be missed!*
