Colleen also volunteered with the Assistance League of Colorado Springs, where she served as President. Through her golf and volunteer work, she formed many enduring friendships, including the close-knit circle that named themselves the "No Hat Club."

Colleen's greatest joy, was her family. She is remembered as a devoted wife, loving mother, grandmother, and great-grandmother. I was so sorry to hear of my friend passed away. I knew Connie through the golf league at the Academy, we always played in the same foursome. We were also in the No Hat Group together, so much fun and so many good times. What a shock! She loved her family, especially those grandchildren. My prayers and condolences go with each of you.
