“ Colleen was one of our best friends. She always dressed like she had just stepped out of a bandbox with hair, makeup and clothing all perfect for the occasion. She loved the water and we enjoyed many good outings of camping, jet skiing at Glendo, Boyd Lake, Lake McConnahey and other places. She enjoyed hiking and hiked several times with the Timberline Church Primetimers. We enjoyed our visits to their winter home in Florida. We walked the beach, went sightseeing and ate good food. Our trip to Branson included Silver Dollar City where she and Jim rode the Big Swing that we thought was too scary.

We will miss her greatly at the family gatherings.
