

## Colton F. Wagner

November 7, 1989 - June 4, 2021

Colton Frederic Wagner went home to Jesus on June 4, 2021 at the age of 31. Colton was born in Elmira, NY on November 7, 1989. He is survived by his parents, Frederic and Kimberly Wagner, and his brothers, Mitchel and Braden Wagner.

After high school, Colton joined the Navy and earned Distinguished Graduate in Military Police School, an award given to the top 10% of students. He spent his career as Master at Arms in Crete, Greece and Sicily, Italy, finishing with the rank of E4. After 5 years of service, Colton relocated to Colorado in order to spend time with his brothers and pursue a bachelor's degree in Business Marketing at Colorado State University. He later went on to work at State Farm as a medical insurance agent.

Growing up, Colton was a skilled soccer player and enjoyed skateboarding and biking with his friends in the neighborhood. As he got older, he developed an appreciation for music, gold watches, sports cars, and his extensive Jordan sneaker collection. He was also an avid gun enthusiast and loved target shooting.

Colton will always be remembered by his charisma, big personality, and contagious smile. He had the ability to light up a room full of people, always making them laugh in the process. Colton was also extraordinarily kind and

would not hesitate to help those in need. He was a great big teddy bear who loved hugs and affection, yet he could be protective of his family and friends in times of need.

Last, and most importantly, Colton was and will always be a firm believer in Jesus Christ - from his early days in youth group until his last, as a member of Timberline Church. He now rests in the arms of Jesus and will forever be our guardian angel.

“ *We will always remember his big bright eyes, his beautiful smile, his large and loving heart, how he could dwarf a queen size bed, and that Marie gave him his first haircut. With love aunt Marie & uncle John*

“ *We think of his big smile, his enthusiasm to meet and know family members, his love of the time he spent in the Navy and Italy, his interest in learning the family history. He was a gentle giant. He will be “hugely” missed. Esther & Joe Gallagher*
