

## Connie Daylene McCormick

August 28, 1940 - January 31, 2014

Connie Daylene McCormick, a long-time resident of Bellvue, passed away on January 31, 2014 at the Lemay Avenue Health and Rehabilitation Facility in Fort Collins. Connie was born on August 28, 1940 in Glenvil, Nebraska to Dayton and Margaret Schliep and soon after the family moved to Holyoke, Colorado. It was there in 1959, she met the love of her life and after just two dates they decided to marry. Raising four kids while living for a time in San Diego and then settling in Bellvue in 1976, she always made sure the home was filled with love, laughter, friends and family, and plenty of good food. As a working mother she also found time on numerous occasions to be a den mother, Girl Scout leader, team mother, room mother, and Sunday school teacher. She enjoyed playing the piano, crafting especially crocheting, going to movies, cooking, fast cars and spending time with her cherished four grandchildren. In 1982, Connie was diagnosed with MS and battled the effects of the progressive disease for the rest of her life with a positive attitude and strong faith in God. She fought hard as the disease continued to take away her mobility, short-term memory, and strong independence. Although disappointed and angry at times, she never became bitter or resentful and was an inspiration to all those that remained close to her as she got worse and continued her fight against MS. To her children and their families, Connie gives her sense of humor, caring for others, love of good food and fellowship, and a strong and unwavering faith in God. She will be missed by all of those that have come in contact with her. Connie's husband and family would like to

express their heartfelt appreciation to the staff of Lemay Avenue Health and Rehabilitation Facility for their professional and loving care, assistance, and friendship to Connie and the continuous support and friendship to her husband Mac. It will never be forgotten. She is survived by her husband of 53 years, Lyle "Mac" McCormick; daughter, Daylene Webb and her husband John; son, Lloyd McCormick; son John and his wife Stephanie; son Rodney and his wife Stephanie; her brother, Rodney Schliep and wife Paulette; granddaughter, Molly McCormick; and grandsons, Andrew Webb and his wife Shea, Tyler Webb, and Dayton McCormick. A memorial service will be held on Thursday, February 6, 2014, at LifePoint Baptist Church, 900 East Prospect Road, starting at 1:00 PM. Inurnment will be held at Holyoke Cemetery at a later date. In lieu of flowers the family asks you make donations to the Marine Corps League Detachment #785, PO Box 557, Wellington CO 80549.

“ Dear Mac and Family, I'm so sorry to hear about Connie. She was a great lady. I have such fond memories of both of you while living in San Diego County. From taking all the neighborhood kids to see the Mother Goose parade each year to the family gatherings that came about from both Mom and Connie missing their families back “home”. I think about mom telling the story of she and Connie going out to teepee another friends' house and one of them stepping in dog poo during the process and dancing down the street to try and shake it off. Dad always referred to the pair of them as Lucy and Ethel—much to mom's chagrin. Just think they are together again and Heaven will never be the same!

“ Dear Mac, It was with sadness that I read about Connie's passing. I only met her in person that one time - at the anniversary BBQ at your house a few years back - but I feel as if I knew her. The love and dedication you felt for your wife was contagious, and you were always an amazing role model for living marital commitment through life's challenges. I will remember Connie fondly as a woman who impacted so many lives in many positive ways. Thinking of you and your family with love at this time of transition. Mimi

“ We were so sorry to read about Connie's passing. I didn't realize how she had deteriorated. I feel badly I hadn't kept more in touch. We were diagnosed with MS about the same time and got along about the same for years but I guess I kind of stabilized and Connie didn't. Life isn't fair. I hope she is at peace now. I loved Connie's sense of humor & love of family. I know that you all feel blessed to have had such a wonderful, caring wife, mother & grandmother. She always spoke so highly of all of you. You were her whole life!

“ Dear Lyle and family, My sincere sympathy to you and your family in the passing of Connie. I remember her thru our years of late childhood and then the years go by so swiftly. As I recall she had a gentle smile and a generous laugh. In reading her obituary, I see that she became a wife, mother and loving grandmother, enjoying life to the best of her gifts and talents. I am Connie's cousin. I grew up in Lincoln, NE and since moved out to Oregon. My mother, Irene Dietrich, was a sister to Connie's father, Dayton. I know she will have a beautiful service and my thoughts and prayers are with you. Blessings to all of you, Jean Read 2409 Emerald Dr NW Salem, Or

“ While I never had the privilege of meeting Connie, I have had the pleasure of Mac's company on rides from McCormick Auto to work and back again. He always spoke of his wife on these trips and told me briefly about the places their lives together had taken them. I am sorry to hear of Connie's death and send my thoughts and prayers to her family.
