“ Although I did not know Cory, and not in much contact with that branch of the family lately, I wanted to send my condolences as a distant family member my grandfather was Walter Steven Dixon - Mary Ann Swinscoe's brother. Cory sounded like a fine young man with a wonderful future ahead of him. I cannot imagine the loss your family is feeling, and I'm so sorry that Cory's life on earth was cut short. I hope Cory was greeted in heaven by Bob Pike and his other grandparents. My prayers are with you all today. Sincerely, Debbie Dixon

“ The City of Craig is a very sad place right now.....and the world has lost a tremendous young man. Brian enjoyed Cory playing his guitar at track meets while the "throwers" barbequed hamburgers during the meets. As a 2007 classmate Billy grieves losing one of his friends. May God comfort you as only He can. Much prayer and love, Preston, Cheryl, Billy, Brian, Teya and Tyler Ivy

“ While a tragic loss for his earthly family and friends we can only imagine the joyful reunion with Dr Bob and Johnson grandparents. The stories and memories they would be sharing would lighten our sense of loss. Our thoughts and prayers are with you and your family as you recall all of the good times and look to the future.

“ Dear Dave, JJ, Tyler, We are all so sick for you and the loss of your Cory. Please know we are all here for you, lean on your community and your friends and hopefully your hearts will mend and your memories will live on and provide you some relief. I would like to drop off a breakfast dish that may help free up your time with all the company you may have in town. I don't want to intrude on your privacy though. If it is ok, I will drop it off tonight Tues at the house. With our heartfelt condolences, Nancy, Rich, Austin and Annie Sadvar

“ Dear Dave and J.J.: First of all let me express my deepest sympathy and sadness at Cory's passing, and my admiration for his goodness and bravery, as well as yours. Since my parents passed away a few years ago, I spend every Thanksgiving in Denver at a gathering of friends and family, so I'm sorry I will not be able to attend Cory's memorial service on the 28th but you will all be in my thoughts and prayers. “ Mr. and Mrs. Pike, I did not know Cory, but heard many wonderful things about him and his work for The Neenan Company. You obviously did a wonderful job raising him as he was a wonderful young man. My oldest daughter, Erica, is a senior at Fort Collins HS and I know a little about your family from the legend of Doc Pike. More importantly, I think Cory's passing is a parent's worst nightmare and I've thought throughout the day about how I would react if this happened to Erica. It is hard to think about how I would get through it. I suppose the best consolation is that Cory was an outstanding young man and that he touched many people in a positive way in his way too short life. I share your sorrow in his passing. “ David/JJ - I am so sorry for the loss of Cory. I know it is impossible for me or anyone to express how sad we are for you two and for everyone else close to Cory. There is no good reason that Cory was taken so soon, but at least he is no longer in any pain. My family and I will pray for Cory, and you two and Tyler as you move forward with your lives. - Guv

“ Dave, JJ, and Tyler, I'm so sorry for the loss of Cory. I haven't seen any of you in a very long time, but back in Monte Vista, I babysat Tyler and Cory, when Cory was still drinking from a bottle! How old I feel now, to know he was 20 years old. He was a great kid, and I have many memories of your family including working for JJ when I graduated high school in 1995-my first job. My family has all of you in our thoughts and prayers, and I hope to make it to the service in Ft. Collins. Take care.

“ I am so sorry for your loss. Cory was very special. He was a joy to coach, have in class, have as an aide, and become a friend. I can remember his famous barbeques at the track meets in GJ. He sure made it enjoyable. I count it as an extreme privilege to have known him. I will be praying for all of you Count on this thru these very difficult days. Unfortunately my family and I will be out of town and miss Cory's memorial service. My apologies for that. Hang in there Tyler. Coach
