“ Our Condolences for your loss Clark Family! Someone we also share is Our Great-Grandfather Jakob Shockley who had 6 children. I remember three of the sisters birthdays are in June - Lydia my Nanaon 6/24, Aunt Barbara on 6/25 and Aunt Daisy's on 6/27. No June ever goes by without tender thoughts of these 3! Aunt Sarah always attended the Shockley Reunions as well and is remembered too! An end of an Era - Aunt Daisy is the last of the 6 children to pass, and now a new era is extended to the next generation of many voices. May your tears cleanse your soul, your hearts open to embrace and your thoughts remember the good times. Take Care my dear cousins! With Love, Vickie
