

## Dallas DeVere Williams, DDS, MD

July 31, 1938 - April 13, 2025

Dallas DeVere Williams, 86, of Milliken, Colorado, passed peacefully away at his home on April 13, 2025. He was born on July 31, 1938, to Roger and Helen (Anderson) Williams in Greeley, Colorado. He grew up and went to school in Johnstown. Following this, he took pre-med at La Sierra University in California. He went to dental school and medical school at Loma Linda University in California. Further training included Oromaxillofacial and General Surgery residencies, which were followed by a Plastic Surgery Fellowship. He also did a two-year stint at Davis-Monthan Air Force Base in Tucson as a Captain.

In 1959, in Orlando, Florida, he married the love of his life, Elizabeth Stromberg, and they were married 65 years. From this union, they had three children, Tammy (Gary) Riegsecker, Milliken; Jenny (Dan) Werner, Johnstown; and Dallas (Kriss), Milliken.

Over the next 50 years, he practiced General and Emergency Medicine, Full-body Plastic Surgery and Maxillofacial Surgery.

After retirement, he and his wife lived on the same family farm where he grew up. They lived in a “barndominium”. He enjoyed many different hobbies. He also authored and published two books, *The Legend of Boofus and Goofus* and *Devastation*.

He had a passion for cars and especially trucks, and had acquired quite a collection. He loved being outdoors and working on his farm, and was a rancher at heart. He had a strong faith in God, loved telling stories, and sharing his wealth of knowledge to anyone who would listen. He was a wonderful, wise and fun-loving father and grandfather, and loved spending time with his family. He will be so, so missed, but we have the blessed assurance that we will see him again.

He was preceded in death by his parents and three brothers, Marvin, Donny and Daryll. He is survived by his wife, Elizabeth, Milliken; one sister, Dianne, Georgia; his three children, four grandsons, one granddaughter, one step-grandson, several nieces and nephews, and many friends. He never knew a stranger.

There will be a Celebration of Life at Dreams and Dragonflies in Johnstown on June 4, 2025, at 3 pm.

*As previously graciously noted, Dallas Williams was indeed the sweetest and most gentle ER doc I ever knew... those nightshifts were early in my lab career but working when Dr. Williams was on duty was always a treat! I will never forget his smile and calm demeanor ❤️*

“ *I met Dallas in 1978 while an EMT & later a Paramedic for Loveland Ambulance Service. We would work 8 of our 24 or 48 hour shifts in the McKee ED. I enjoyed when he was the ED doc. He was always an interesting person to be around and to listen to and learn. He was a gentle soul and was very nice to patients. He had lots of interesting and educational stories that he shared with the Medics and Nurses. I later had the privilege of working for him in his dental clinic where I learned even more from him and got to know him better. I left Loveland Ambulance Service and went to PVH EMS but we stayed in contact for a while and visited at his house occasionally. But sadly we grew apart as my family grew and we got busy. I always enjoyed Dallas and will hold him fondly in my heart as a great educator and ED Doc. My sympathies to Elizabeth and the rest of the family. Dallas was a great man.*
