

## Daniel William Doerr

October 25, 1995 - May 1, 2025

It is with heavy hearts that we announce the passing of Daniel William Doerr, who left this world far too soon at the age of 29.

Daniel was a devoted son, loving fiancé, fun-loving brother, and loyal friend with a deeply caring heart. He left a lasting impact on everyone he met and brought people from all over the world together.

He proposed to his fiancée Jordan, on New Year's Eve in Luxembourg under the stars. They enjoyed their time together traveling Europe, trying new restaurants, and exploring Colorado's National Parks. Their two cats, two dogs, and beloved horse Buzz never failed to put a smile on his face.

Daniel lived with purpose and passion. He was fiercely loyal, protective of those he cared for, and unafraid to chase excitement. Whether skydiving from planes or planning his next trip, he embraced life fully.

Daniel found joy in exploring the world, he traveled to 5 continents and reached his goal of visiting over 20 countries. His fearless nature was evident in his skydiving, snowboarding, and scootering.

He experienced great success early in his professional career and was always striving for new accomplishments. He was an unstoppable and driven

entrepreneur who took great pride in his work. He shared his success with those he cared for and was truly dedicated to those he loved.

He is survived by his loving parents Daniel and Carie Doerr, his devoted sisters Melyssa Bierman (Aaron), Rachel Doerr (Jake Bronson), his beloved fiancé Jordan Eckstadt, and nephew Brady Bierman. He is also survived by a large and extended family who will miss him deeply.

He lived boldly, loved deeply, and left us far too soon—but never without leaving his mark. He loved the lord and his family takes comfort in knowing he is now at peace in God's loving embrace.

A celebration of Daniel's life will be held 11 am on Saturday, May 10, 2025 at Bohlander Funeral Chapel.
