“*Darcy I am so sorry to hear about your mother. I have so many good memories of her and your family and I know what a strong and vibrant person she was. At times like this, I always wish that I had something profound to say that would somehow help with the pain of loss but at heart I know that nothing really can. I'm sorry that I can't be at the service but you, your Dad, Lisa, Michelle and Suzette are in my thoughts and prayers*
