“ Darrell, Donna, JoAnn & I toured Austria and Germany in 1983 following a Kiwanis convention in Vienna. Memories forever. Very sorry we could not get together with him & Jane. Have been trying since March. A great family man, Christian, Kiwanian, CPA, musician, and most of all friend. I will miss the visits at 1209.

“ We are glad to have known Darrell on a personal and professional level. He was a hard working man that loved God and his family. He was an integral part of our business success and we are grateful that he challenged us in that area. It was an honor to attend the same church and have fellowship with him and his wonderful family. To them; we are praying for your comfort and strength and that you can find joy in the midst of sorrow. - Kemper and Laine Schultze
