“ *Dear Kay -  
Although I didn't know Dave personally, I remember seeing him many times with you over the years we have all been in Fort Collins. You were in Newcomers when I was and I always appreciated that fact we'd continue to greet each other whenever we met. Since we didn't move in the same circles, it was usually at a variety of places around town or at Moby Gym for CSU basketball.  
Was sad to ready of Dave's death and know there will be many memories your family will treasure for many years to come and the holiday times when an important member of your family is no longer there to celebrate with you which will bring sadness but also remembrances.  
Best of luck in the future!

“ Dear Kay and Family,

*I loved working with Dave when he was on the Board of Directors for Project Self-Sufficiency. Dave, Maurie Nelson, and Jack Shirey were quite the threesome. I remember Dave's sense of humor and the tricks he pulled on me when I visited his Sertoma Club. I love this photo of him that you have here.*

*I am so very sorry for your loss and hopeful that I can make it to the service on the 20th.*

*Much Love,
