“ David was a quiet strong soul who did everything for his family. We did not know him well, but through his families involvement in joining Job's Daughters we knew his influence. We are forever thankful he became a mason so that his family could join Job's Daughters. This tradition has extended to his granddaughters and will help to carry his legacy.

*He will be missed. Our prayers our with the Brundeen family during this difficult time. Hugs and Love,
The Brooks, Ellie, Kim and Dan*
