“ You don't know me, I don't believe you know my older brother (Kelsey Kingsley). I knew Dave when he was still in High School and running with Denny Krause and Kelsey. Our elk hunting trips to Owl Mountain could be made into a movie. Fun was always had, memories made which has lasted a lifetime. I am so sorry for your loss, and just as sorry that the world has lost another good man.
Kelley Kingsley.

“ So sorry to hear about Dave's passing. Dave and I grew up together. Our dads were partners in C and M Electric. My dad was Mac McEntee. He died in 1966. I remember when Dave went to work at C & M. I was the secretary for the company. We always used to talk to Dave at the movies several years ago when he was still able to go. I can't help but smile knowing that he is no longer trapped in his body. He had a great love for life.
