“ *David - We will miss you so much! I had the pleasure of meeting David and working along side him at Sanford's Grub & Pub. I always enjoyed David's company; whether we were cooking together at Sanford's, or hanging out shooting pool somewhere, David was always telling stories and bring laughter to those who surrounded him. Ever moment I got to spend with David was a true pleasure. My thoughts and love go out to his family, he was truly a one of a kind guy. I will truly miss your shining presence David...Shine On You Crazy Diamond! Your Friend, Nick Russell*

“ *I just heard that a good man died. David was a really awesome man. We worked at Sanford's grub and pub as cooks. He would always made us laugh at work and after hours we would shoot some pool and play pin ball with the gang. He will be truly missed by all his friends and family. R.I.P. big David*
