

David Curtis Rhodes, II

January 28, 1972 - March 22, 2021

David Curtis Rhodes II, passed away unexpectedly on March 22, 2021. David lived in Fort Collins, Colorado with his wife Bobbie Rhodes and their two children.

David was born January 28, 1972 in Silsbee, TX to his Mother Rebecca Marie Cherry and his Father David Curtis Rhodes Sr. David grew up and graduated High School in Silsbee, TX and worked in logging. He has four children still living in Texas. He moved to Colorado in 2007 where he met the love of his life Bobbie Martinez. They married in 2008 in Fort Collins, CO. David took on the fulltime role of Dad to Bobbie's two children Ryan and Breanna and always treated them as his own.

David had a kind and loving soul with a big heart and would try and help anyone in need. From helping neighbors shovel their walkways, to helping them fix broken down vehicles, he would do whatever he could to make their lives easier. David loved to try and make people laugh with his crazy, corny and sometimes not so funny jokes, but at least his effort would lead to smiles. He was a huge Dallas Cowboys fan and loved watching football religiously. David also enjoyed watching movies, dancing, listening to music, fishing, wood working, fixing cars and loved drives in the beautiful Colorado mountains. But most of all he loved being with family.

David is survived by his Wife Bobbie; Six Children Breanna Severin 19, Ryan Severin 20, Jacie Rhodes 21, Aspen Rhodes 21, Dallas Rhodes 26 and Braxton Rhodes 28; his Sister Leslie Rhodes of Tomball, TX; Sister Katherine Perez(Phillip) of San Antonio, TX; Parents in-law Ruth and Mike Parker of Windsor, CO; Parents in-law Bobby and Claudia Martinez of Fort Collins, CO; Sister in-law Kristina Cardenas of Windsor, CO and numerous of aunts, uncles, nieces, nephews and other family & friends.

Preceding David in death were his Father David Curtis Rhodes Sr.(Butch) and his Mother Rebecca Marie Cherry Rhodes(Becky).

A private service celebrating David's life will be held at Bohlender Funeral Chapel.

“ Dear cousins, I'm so sorry for your loss and the hurt that you must be going through right now. I didn't get the chance to know David, but one of my favorite quotes is “There is only one happiness in this life, to love and be loved” and going by this it seems he had a very rich life. You all are in my thoughts and prayers.

“ Dave, My Son-In- Law its so hard to believe your gone! You had a favorite spot to sit at our table, I look at it and can still see you sitting there. At first when you came into our life I had many reservations about you! As time went by and got to know you better and then being diagnosed with cancer, I appreciate all the dedication you had for me by taking me to Chemo and radiation appointments, Taking care of t-heart and walking her around the lake she loved you very much she would get so happy and excited to see you. She will miss you too. This is when I finally really had time with you and got to know you. You were here for me as of Bobbie, Ryan and Breanna, I have Thanked you from the bottom of my heart. I thank you again. You also helped me with all my flower gardens weeding, planting adding bark, since I just couldnt do it. You would always tell me to call you if I needed anything. Now as I look at my plants you planted I will always think of you and say a prayer in your Memory. RIP Dave God Bless You. You will always be missed. Oh! Thank you so much for the beautiful board you made for me. I understand you couldnt wait to give it to me but unfourtently God needed you more.

“ *When I first met you, I had the hardest time understanding what you were saying with the Texas accent and how fast you'd talk. I'd look at Bobbie and say, "what did he call me?" We'd laugh and she'd translate. I then decided to turn our conversations into "Twangs" We could talk full sentences in nothing but "Twang"! I was the bratty little sister that came with the package, but you know you loved me!*

It's hard to believe you are gone. It feels like I'm going to see you poking around the kitchen looking for desserts. Man, did you have a sweet tooth! I remember going to Blackhawk with you and when it was time to order food you'd order lemon morangue pie first and then dinner. We had lots of great times rocking out to 90's music in the car, sharing stories, celebrating holidays or just hanging out.

Thank you for being a good son-in-law to my parents, a wonderful uncle to my boys, and the best big (much older-Lol) brother to me. But most of all, I appreciate all that you've done for my sister, Ryan, Breanna and Beefy. Thank you for loving them so much!

Until we meet again... Twang Twang Twang (I love you).

*Your lil sis,
Kristina*
