“ I remember back in the day when you would come riding in on your motorcycle, parking it in Mom's (your sister's) drive way, looking all cool!!! We had some of the neighbors convinced that you were a back singer for Elvis. Crazy kid stuff. Love you, miss you.

“ Cousin Dave, I hope you know how much it meant to me that you were there for me when my Dad (Ben) and my Uncle Gilbert passed away. Those were very dark days for me, especially since I wasn't here when they passed away. When I came home from Germany to say Good-Bye you found a way to be strong for me and gave me a gift that I will always treasure, your time, comfort and the last picture of my Dad that I will ever have! I'm glad it was taken at a time when y'all were together and the most happy! Well Primo, I know that my Dad, "Beatles" and "Gebo" already have a fishing pole waiting for you! God Rest and know you are forever in my heart!

“ *Mr Valdez would always ask me to sing Johnny Cash songs for him. I would but he wanted me to do them on stage with my band. I never did that because I'm no singer. But I'm going to learn one of his favorites and sing on stage in his memory.*
