“ Dearest Dee,
Thankyou for being such a bright lovely light in our family. I have
spent the past days looking at all our photographs. There is not one
of you without your wonderful cheeky, happy smile and twinkle in
your eye! However am I going to replicate that addition of pumpkin
pie to our Christmas Eve dinner. I Thankyou lovely Dee for making
my brother so very happy . He lived you as I know you loved him.
He will miss you greatly as we shall also. You have huge shoes that
will never be filled in our hearts. Know you are loved and always will
be. Rest in peace . Thank you for being part of our lives Dee.

“ We're so sorry that we can't be there in person, but we are sending love. I'm grateful that we were able to reconnect in recent years. She was so proud of all her children and grandchildren. I'm so grateful she found you, Mark. Please reach out if I can do anything to help from afar. I have bunches of photos, but they are in storage, but will share once I find them. I will remember your beautiful smile.

“ I will always remember her smile, her love for her children and grandkids. Mark oh how she loved you. She was a bright light to all of those at Room 4 Hope. Deanna loved the Lord and hated the sin that is in the world. May we all live and carry her light for Jesus for her.
