“ *Kenny & Rose: I want to hug you both! I'm sorry for the loss of your beautiful daughter & pray that you understand she IS in a better place--no matter how we see things on earth, there's only HOPE that freedom from these painful losses exists in Heaven--it's how God intended it to be. Debbie is free of the pain she was suffering on earth! I didn't know her, but feel she must have been a good person! Maybe she's met some good people in her new chapter hopefully, like Joel:, and we will all be together again~ We can only pray. I am thinking of you and praying for you guys!*

“ *I am so blessed to have shared 21 years with my momma and my best friend. We have been through it all, but we always remained number 1 in eachothers lives. When I was young, I never wanted to leave her side and as I grew older she pushed me to new heights and those sweet words "I'm so proud of you" always left her mouth even when I messed up. She was a woman of understanding, courage, stubbornness, and absolute love no matter who you were or what you did and with all of that, I am so proud of the woman she is and will be forever in my heart. One of a kind - an absolute jewel, who will be forever loved and missed by so many. Especially by me. Until we meet again my love - it's a marvelous night for a moon dance.*

“ In my eyes Debbie was much more than just one in a million. After a brief time of dating we realized that we were better off as friends,our friendship grew to point that we became sort of like bro n sis.She was so beautiful inside and out, despite a small bit of anger and distrust that she developed through turmoil in her life she was always ready to smile and especially ready to make other people smile! She was smart talented witty and just plain fun to be around cannot describe how much I miss her already and will from now on! God bless her soul her beautiful soul. My prayers go out to all who knew her and love her too!

“ Oh, Debbie. I'm so saddened by this news. We hadn't connected in forever - in fact, just a couple of days ago I saw you on Facebook and sent you a friend invitation. It remains unanswered. You were always such a sweet girl and friend. Although we seem to have missed one another physically in our later years, I'm sure that our hearts remained the same. With great peace, Tori
