“ I haven't seen Debbi for years but we used to play together when our grandmas would get us together. I wish we would have kept in touch. I'm so sorry for your loss. Sending you my love and prayers.

“ I started working with Debbi in 2007 and quickly grew to love her. We worked together until she retired in 2019. She was one of a kind, my partner in crime and someone who I trusted. I will miss her so greatly. I will treasure all my many memories with you Debbi. We were sisters for sure. My deepest condolences to Chad and Eva. Also to her brother Terry and nephew Jason and family. You all are in my thoughts and prayers. Debbi I hope you are also taking care of all my furry family that is waiting for me at the rainbow bridge. I love you and I will see you again Debbi. Love Dar
