“ Kathy, Our heart goes out to you at this horrific time. I'm still in shock that this has even happened to Uncle Denny. He was such a fun loving man with a heart as big as the world. You made him very happy and I thank you for that from the bottom of my heart. Please know that we will be here for you if you need anything. You are still part of our family and always will be. Love you Kathy, Sheryl, Rich and Elysia

“ Dear Kathy, When someone loses a loved one who has meant so much for so many years, it's hard to know how to begin expressing words of sympathy and comfort. We can't know why some things happen...but we can know that love and beautiful memories outlast the pain and grief. And, we can know that there's a place inside the heart where love lives always, and where nothing beautiful can ever be forgotten. My thoughts and prayers are with you, and your entire family, today and the days ahead. In Sympathy and Friendship,
