“ *My Dear Family, I want to thank you all for keeping me up to date with the group and Mom's health. I have felt deeply saddened by Mom's parting and I have been thinking about you all with love in my heart. It has been many years, 48 I think, since I lived for a year with you all during my exchange student year. I am so grateful to Dad and Mom, I have the best memories because it was my first time abroad away from my own family and you all opened your hearts with all the love in the world. I only want you all to know that I love you, and I keep you all in my heart and that I pray for Mom's eternal rest and I am sure she is enjoying eternal glory because she was a being of light and such a wonderful Mom.*

“ *Diane Gayle Weixelman went to fly with the angels today. My Mother passed peacefully this Sunday afternoon. She was surrounded and had whispered "good-bye and I love you" to all of her descendents. My Mother was a remarkable woman, made of silk and leather. She was my Father's partner for life. If you have enjoyed our Ranch, if you were a guest....this proud classy woman was your host. She always wanted to keep prices low to help families. She always wanted to host her own family and surround herself with grandkids and great grandchildren. Yet, make no mistake this was during the most financial trying times of her life. For both my father and mother, laughter was the addiction. They cherished what they could offer to families and knew these would become the life long memories of their guests. My mother never forgot a birthday, Christmas or valentine. She was simply amazing and filled with love and the desire to pass love on. I would trade anything for 5 more minutes. We should all respect our elders and realize we will be them and they were once us. Take a moment and love the ones you love. Rest in peace my beautiful Mom. I will miss you forever-Linda & The Weixelman Family*

Diane was one of the first people I met when I came to Colorado way back in 1986. I worked for her and Don for 5 years in their real estate office and sometimes at Beaver Meadows. I'm very proud to say that I knew her and she was one of the most genuine and caring people I have ever met. We shared many laughs over an occasional rum and coke. My thoughts are with you, Weixelman family. She will be missed.
