“ I had the privilege of working with Dee many years ago. She always had the same temperament: kind, considerate, thoughtful and a wonderful co-worker. A good listener. We lost track of each other but I will always think of her as friend. My sincere condolences to her daughter Cheryl that she loved so very much. And to all her many friends and loved ones she collected along the way. She touched people and she made a difference. Friend, Ellen.

“ My mother will be missed very much. Her phone calls every day saying what's up.  
I'm so glad that we had so many good times with you. The holidays won't be the same.  
You will be free now of all worries, and pain,  
Until we meet again my beautiful mother.
