“ Everyone at Disabled Resource Services where I worked for 20 years and was Don's Case Manager is so glad to have known Don and Nancy, too and so sad at his passing. He was a wonderful person: not only a real!"Poster Boy" for United Way but also a role model for all of us with disabilities. We are proud to have known him and hope we can be part of any celebration of his life in the future.

“ Don, you are, and will be so deeply missed! You and Nancy were the example for what we all should follow...no complaining! Thank you for teaching me so much and for giving me the opportunity to be with you and Nancy.

“ Many fond memories of Don and Nancy. Neither ever complained and were so cheerful no matter what the circumstances. So glad to have known you both. Much sympathy to the survivors!
