“ Don and I were good friends for decades. When we went our adult ways, we still shared our LINCOLN PARK DAYS. I loved his Mom. So sweet! His unmistakable voice was his trademark mark. Lot's of great memories. We visited twice in FT. COLLINS the last 4 years. He was proud of his work at the VFW THERE. And they loved him. Thanks DON... love ya brother!

“ He was a loyal friend, always lifted me up when I was down; never failed to lift a helping hand even tho he had his share of heart breaking set backs.
