

## Donn Jordan

November 7, 1947 - July 17, 2023

On July 17, 2023 Donn Jordan was finally called home after a lengthy battle. Donn was born November 7, 1947, in Oregon to Eleanor Kechter. They moved back to Fort Collins soon after he was born to stay on the Kechter Family farm when Eleanor married Ed Jordan, who later adopted Donn. Donn remained on the farm along with his grandparents, parents and brothers, doing what boys do best, working hard and causing mischief. Donn later spent a short time in the Marines, before returning to Fort Collins. Once Donn returned, he once again did what young men do best, work hard, drive fast cars, and cause mischief. He eventually met and married Connie Daily of Fort Collins, they had a daughter Shawna. They married in 1973, soon after Donn adopted Connie's two children Bruce and Paulette, and from that day on they were HIS kids. This was one of the proudest moments in his life.

Donn worked for Kiefer Concrete for many years, later going to work for DUO Dairy and finally retiring as a truck driver after having one of seven strokes. Donn has always been a hard worker and would do anything for his family. Donn loved his family with every fiber in him and would do anything for them. Donn was the type of person that would give the shirt off his back or his last five bucks and ask for nothing in return.

Donn was preceded in death by his parents Ed and Eleanor Jordan and Wife Connie Jordan.
