“ Dearest Donna ~ I am so saddened to hear of your passing. Although I never had the opportunity to meet you or your family, I will always remember you, and be sure to toast you every St. Patrick's Day. I know how much you loved Carley, Harley, Halley, Sadie, Buddy and Blue, and I know you will reunite with them on the other side of the Rainbow Bridge. You loved little things like gourmet cupcakes, buttermilk and soap operas, but nothing meant more to you than helping out animals in need. I know there is a special place in heaven for you, and I am going to miss you. Love - A Fellow Doglover

“ Dear Mike, I will always remember how much Donna loved her animals and did everything possible to make sure they had a good life. I am sorry I lost touch after I left the vet clinic, but think of both of you often. I am so sorry for your loss.
