“ I had the pleasure to deliver food to Doris through volunteer service with the Larimer County Food Bank. I always enjoyed chatting with her while making my deliveries. She was an extremely avid sports fan which made it very easy to strike up a conversation. Rest in peace Doris.

Like Mr. Miles, I always made a point of patronizing Myriad because she did a good job and I enjoyed talking with her. Even though life had dealt her a tough hand, she was always positive. My condolences to her family.

I met Doris at Myriad Art Prints when it was downtown. She and Blair artfully framed just about everything on my walls. Her stories of the history of Stove Prairie captivated me and we became friends. She had an amazing memory and her stories brought history alive, like watching a movie. I moved away and haven't seen her in 5 years. She was a bright character in my life! Rest in peace, dear Doris!
