“ David & Greg: My heart breaks for the loss of your folks. My heart also rejoices in the fact they are together again. I am grateful to have had them as neighbors for 15 years and enjoyed each of them in their own personalities. They were a great team. Please accept my most sincere sympathy in the loss of both of them so close. Be proud of having two great parents, rejoice that they are together again. Both Ed and Doris I love the picture were wonderful people, good neighbors and I loved sitting in the family room visiting with them. I will always thank God for having them in my life. Take care of yourselves and if I can be of any help, please call me. God bless both of you and your families.

“ We send our sincere sympathy for the loss of both your parents, but have a vision of them walking hand in hand, strong and tall all over God's heaven. We liked the darling photo of Doris. God Bless!

“ Dear Ruff Family, What a honor to take care of Ed and Doris I am so thankful that the Lord brought them into my life. And what a smile on her beautiful face the prettiest girl from Nebraska. I had never seen that picture in her home. May the love of the Lord flow gently and freely into your hearts, giving you peace and strength for they are both together again. I will miss them both dearly. With my deepest sympathy. Ernie Solano
