“ I'm so sorry for your loss. I have been a nurse at PVH for 37 years, and although I didn't know Dorothy, I often heard her name in the early years of my career. She was certainly an important part of the history of the hospital. She certainly made a difference in this world.

“ Jamie and your family, I want to express my sympathy upon your mother's death. I will always treasure the times I went over to your house to play as kids. Your mom always made me feel welcome. Each time I come to visit, your mom is one of the people who came over at church to say Hi and see how things are going. I know you will miss her but the great news is that through Jesus she is alive and well with her Savior. In Christ, Gordon Besel
